

With the construction of light rail on Cedar, the city will effectively be split into two major areas: **east of Cedar, the Lower Town Area**, and **west of Cedar, the Rice Park Area**, as many east/west travel routes will be affected by construction. See map for the light rail construction route in Black. So having a strategy for getting into and out of downtown will be important depending on destination.

Here are some tips that may help with your travel:

#### **From the North to the Rice Park Area**

**Option A:** Take 35E south to Pennsylvania Avenue exit. Continue on Pennsylvania Avenue to Rice Street left to downtown parking facilities.

**Option B:** Take 35E south to Pennsylvania Avenue exit. Continue on Pennsylvania Avenue to Marion Street to downtown parking facilities.

#### **From the North to the Lower Town Area**

**Option A:** Take 35E south to Wacouta/10<sup>th</sup> Street exit. Turn right onto 10<sup>th</sup> Street or through onto Wacouta and proceed to parking facilities

**Option B:** Take 35E south to University Avenue exit. Continue straight across University Avenue to 12<sup>th</sup> Street then left on Jackson OR go right on University Avenue to Jackson then turn left on Jackson to downtown parking facilities.

**Option C:** Take 35E south to Pennsylvania Avenue exit. Continue on Pennsylvania to Jackson to downtown parking facilities.
